

### REMARKS

Reconsideration of this Application is respectfully requested. Claims 36, 37, and 60-63 are pending; claims 36 and 37 are currently amended; claims 1-35 and 38-59 are canceled without prejudice; no claim is original; claims 60-63 are new. No new matter is added by the claim amendments. The Remarks below are directed to the rejections of the outstanding Office Action.

The Examiner has restricted the claims. Group 21 (Claims 32-37) is chosen for examination. Furthermore, the claims have been amended to more accurately reflect the invention of Group 21.

We respectfully requests that a prompt and favorable consideration of the Amendment and Reply is given. The Examiner is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application. All of the claims remaining in the application are now clearly allowable. Favorable consideration and a Notice of Allowance are earnestly solicited.

Respectfully submitted,

CAMBIA
